

Harvest Moon

Get ready for an all-new Harvest Moon!

The Carrillo Ballroom is going to Rock, all weekend long!!!

Join us in Santa Barbara, CA, with its "best in the west" legendary Sprung Floor, on September 28-30th, 2007, for an amazing contra time...

A 6-Member ***NOTORIOUS***

Larry Unger, a banjo and guitar player extraordinaire, who has written over 600 tunes and is the most sought after musician in the contra community. Eden MacAdam-Somer, who has a style that is truly impressive, is one of the most exciting and versatile young fiddle players performing today. The ever smiling Sam Bartlett, (Mr. Stuntology himself), a traditional old-time American/Irish styled mandolin master. Mark Hellenburg, playful, reckless and unpredictably brilliant, this man has redefined improvisational percussion to create a sound all his own. Ralph Gordon, driving on cello and bass, has a world of knowledge and experience with many styles of music.

Special Guest - the extremely talented and popular Bill Tomczak on clarinet and saxophone!

Virginia caller ***SHAWN BRENNEMAN***

Highly recommended from top musicians and dancers up and down the East Coast.

A top-notch caller with clear, concise, smooth dances.

She knows when to let the music take over to create a terrific weekend!

As a special treat, for the first time, there will have an afternoon of *Swing Dancing* with swing master **ROB RIO** the "Boss of the Boogie", playing boogie-woogie and jump blues of the 40's and 50's.

A weekend definitely not to be missed!
