

Harvest Moon

The Carrillo Ballroom is once again going to ROCK all weekend long!
Join us in Santa Barbara, California, with its “best in the west” legendary *Sprung Floor*,
on October 13-15th, 2017, for an amazing contra time...

Two amazing bands!!

WILD ASPARAGUS & RIPTIDE

Calling by George Marshall and Susan Michaels

Featuring **Wild Asparagus**, a premier band from Massachusetts, with special guest **Mark ‘Pokey’ Hellenberg**. Using a unique blend of instruments, they offer a sensitive and powerful performance. They are famous for their lively, hypnotic, rhythmic dance tunes—giving the dancers a true contra-high every time!

And **Riptide**, one of the most energetic contra bands on the scene today, with most of this foursome hailing from Maine. They love the music they play, and their repertoire contains literally hundreds of tunes from New England, Quebec, Ireland, Appalachia, and more.

Calling by **George Marshall** whose specialty is teaching and calling the New England-style contra dances he has collected throughout the country. He is renowned for his knack of matching music to dance and for his smooth, concise teaching and presentation.

Our second caller will be **Susan Michaels**, hailing now from the state of Washington! As a dancer herself, she genuinely expresses her love of the music through her calling.
